The life you experience in the dorm is a big part of your memories at ASU. Dorm life gives you the ultimate in ASU spirit.

Living off campus ... having to pay bills, and buy groceries ... you get a new grasp on maturity, freedom, and ASU fever.

THE FINE TIMES OF LIFE

From Woodlands Cafeteria to the Le Banque, ASU students become connoisseurs of a variety of food.

You can catch that Indian fever while you're catching those Z's ... even if you're doing it at an inopportune time.

ASU ON THE MOVE

Some of us get into shufflin' our boots to the honky-tonk tunes. Others get into rockin' and rollin'. Still others go punk, or new wave. Regardless of your style, you are a special part of the Arkansas State University culture.

PARTYING AT ASU

From rush parties to private keg parties, college life stays in the "spirit" of things.

Many of us at ASU frequent the arcades obsessed with Pac-Man, Tron, Galaga, Centipede, or Donkey Kong. While being engulfed with the video-craze, some of that Indian fever is sneaking up on us.

Spectator or Participant ... football, basketball, baseball, tennis, or golf— Catch them all and get involved in the ASU fun-fever.

Political figures, national, state, and local, visited with students at Arkansas State University, and got involved with the Indian Fever.

Former President Gerald Ford and 1st Congressional District candidate Chuck Banks.

ASU Alumni got in the scene, too. (L/R) Arkansas' Representative Bobby Hogue, Senator Jerry Bookout, and Representative Bobby Wood.

Arkansas' Governor Frank White addressed a State audience.

First Lady Nancy Reagan shared her thoughts with some of State's students.

INTRODUCING THE MANY FACES
OF ASU PRESIDENT RAY THORNTON:

Whether he is singing or speaking, formal or informal, Ray Thornton is an asset to Arkansas State University. President Thornton is proud of ASU and State is proud of its President.

CATCH THAT INDIAN FEVER!

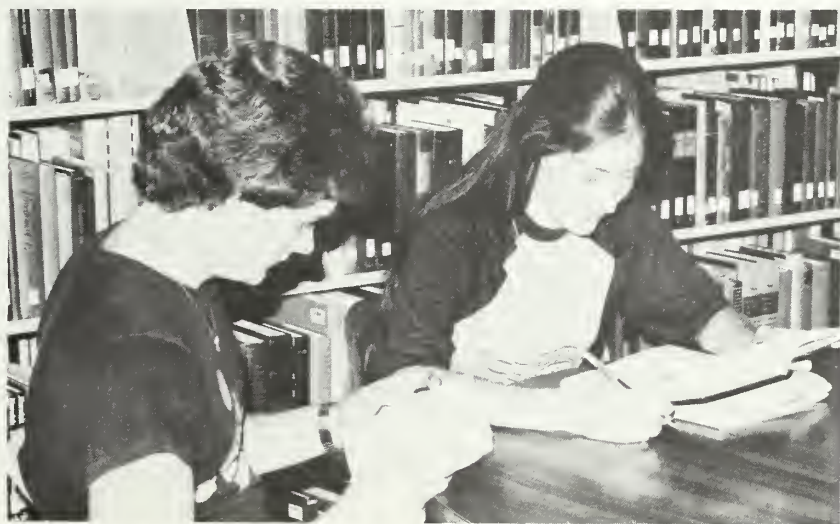

Catch that Indian fever
And you'll be flyin' high!

Who ever introduced you to it and wherever you caught it is inconsequential. The ultimate is that you finally caught it . . . and it came from within yourself. Now, you have it so hang onto it . . . it will energize your life and help you gobble up the monsters along life's path. Oh yes, now you've caught it, you'll always have it . . . you've got that **INDIAN FEVER**.

LIFE

Pre-Class Activities

LINES ... LINES

Registration always seems to start the semester off right. When else do you have the chance to stand around for hours making new friends? After finally receiving your master card, you can enjoy conversing with faculty members and graduate assistants as you fight and beg for class cards. Sitting on the floor to fill out those hard-earned cards is a welcome break. It doesn't matter that people keep falling over you! Then just when you think it is over—it's yearbook picture time! (Too bad nobody warned you. You would have at least combed your hair.)

CLASSES???????

Classes are the real reason we are here, although they aren't the only reason. ASU offers a wide variety of classes; almost any course you could want or need can be found at ASU. Classes at A-State aren't always found in a typical classroom setting. A good number of students receive a hands-on learning experience, instead of just reading a textbook and being tested over the material.

There has been much renovation on the A-State campus. From the opening of a bigger, better, much-improved Wigwam to the energy-conserving windows for many buildings. From restructuring the old Radio-TV building to constructing the new Communication-Education complex. While Danner Hall was closed, Delta Hall was made more livable. Even Woodlands Cafeteria got into the spirit of things!

INTRAMURAL FOOTBALL

GUYS AND GALS

"WAMPUM STOMP'EM JOE"

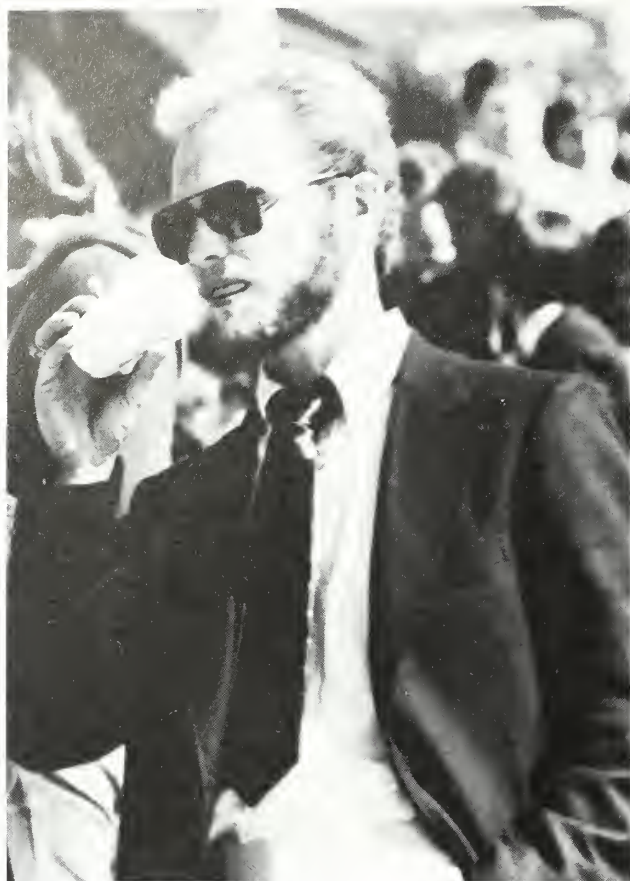

ASU students get a chance to express their spirit and support for the Indians at various pep rallies held throughout the year. The pep rallies are very enthusiastic due to the pep of the cheerleaders, the Indian family, and the band, as well as all the State fans. Another spirit raiser is all the graffiti spotted around campus: on cars, dorm windows, and pepsigns. Various student organizations as well as certain unnamed individuals can often be seen with shoe polish or magic marker in hand.

C R O W D S

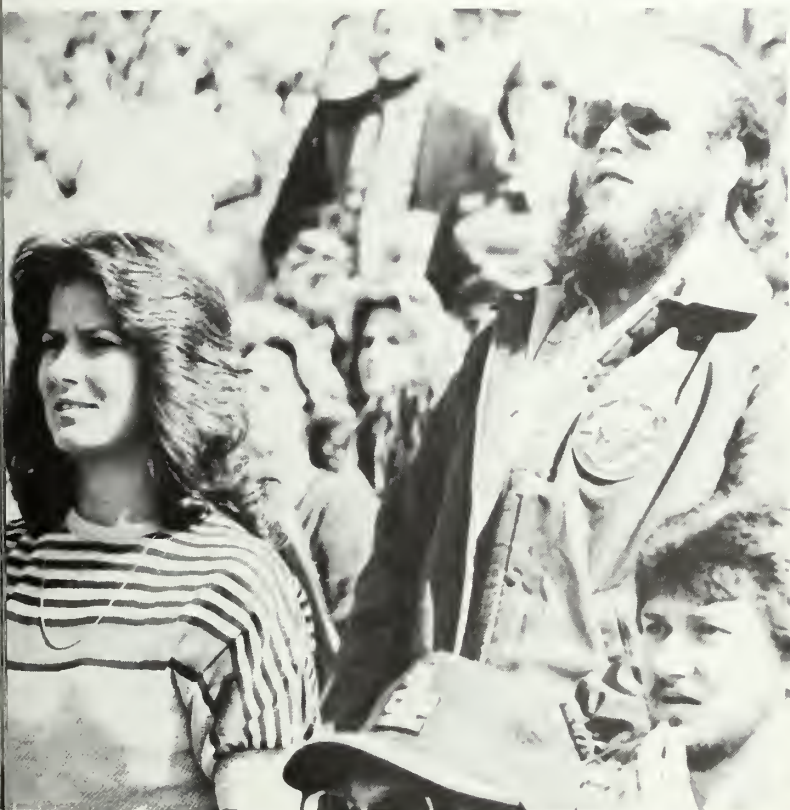

Crowds and the people that compose them can be very amusing. Take a few minutes the next time you are in a crowd and take a good look. These crowds can be found all over campus. For instance, they can be found at all the Indian football games. The football crowd is ALWAYS enthusiastic. For example, the man who beats the drum across the stadium cheer: Arkansas State Indians He was indeed amusing and so are the enthusiastic. Get Involved! Help form a crowd today.

ARKANSAS STATE

Each year, beginning in August, the ASU Marching Indians begin practice on a daily basis. When football season finally arrives, you will find the Marching Indians well-prepared for their half-time shows at each of the home games.

Aside from half-time entertainment, the brass and percussion sections played at Legislative Weekend. The band also played at all the pep rallies and once again sponsored its annual band day for area high school bands.

The band also had the privilege of attending both the Alabama and Memphis State games. At both games, they gave outstanding performances and made the fans very proud of them.

Thank you Marching Indians for your efforts in providing entertainment to A-State's fans this year.

The Majorettes are; (from left to right) Karen Commer, Dixie Martz, Denise Snyder, Cheri Robinson, Martha Bailey, Joyce Merriman, Jo Gina Bokony, Karolyn Sowle, and Julie Stone

FLAG AND RIFLE TEAMS

The Flag and Rifle Teams add color, pizzazz and excitement to the half-time shows at Indian Stadium. The Flag Team uses colorful flags of red, blue, orange, yellow, white and green to keep up with the beat of the Marching Indians. At the same time the Rifle Team uses expertise and quick precision in performing its routines. These two groups add the finishing touch to halftime entertainment at ASU.

PEP BAND IGNITES ROUND BALL ENTHUSIASM

Providing entertainment and arousing fan spirit are the objectives of an ASU pep band member. Directed by Milton Wayne Harbison, the pep band consists of musicians which are on an ASU band scholarship. They liven up the home games by aiding the cheerleaders in their yells and boosting spirit! This year the pep band accompanied the Indians to the Southland Conference Tournament in Beaumont, Texas.

SPIRIT: THE FAMILY TRADITION

The Indian Family has been an Arkansas State University tradition since 1958, and this year, Princess Pam Haggard of Searcy, Brave Wally Jackson of Osceola and Chief Tim McGhee of Kennett, Mo., carried on the tradition for the 25th year.

The Indian Family has done an outstanding job in promoting school spirit this year. They have also represented Arkansas State very well. Their enthusiasm and dedication is matchless. Gladys Hudgins, assoc. professor of physical education and a member of the committee that selected this year's family, must have had these three students in mind when she described the job of an Indian Family member this way, "The job is one of public relations, representing the University and generating good school spirit." Those words best sum up the job done by this year's family.

FOR 25 YEARS

NEW FUN AT ARKANSAS STATE

Have yourself a "tailgate" party before the game . . .

This year athletic officials began encouraging "tailgate" parties around Indian Stadium on Saturday afternoons before the big games. The parties were designed as a time to get together with family and/or friends, have a picnic, or just "shoot the breeze". For those armchair coaches, it became a time to plan the night's strategy — in order to defeat the enemy. In its first year, the idea of tailgate parties caught on fast and began developing as enthusiastic support for the Indians. Tailgate parties became not only a new venture at ASU, they became a way of life for Indian fans.

ASU DISPLAY

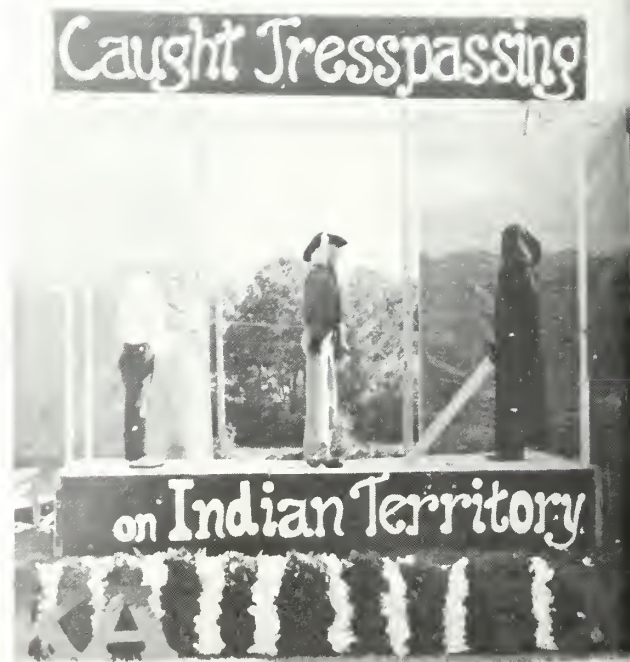

Fraternities and sororities on campus worked together on displays for homecoming week. In each group one sorority and one or two fraternities produced either a stationary or a mechanical display. The stationary award was given to Lambda Chi Alpha and Zeta Tau Alpha for their efforts. The mechanical award went to Tau Kappa Epsilon and Phi Mu. In addition, another award was presented this year. The Budweiser sponsored trophy represented the most creative display. Kappa Alpha, Kappa Delta, and Alpha Tau Omega won this category.

HOMECOMING FESTIVITIES 1982

After a week of hard work, the "big" day finally arrived, sporting an old-west rivalry between the cowboys and Indians. Indian Stadium became the gathering ground for many Indian fans. Although the fans and the team were highly spirited, history repeated itself as the cowboys once again were victorious. But all was not lost ... highlighting the festivities was the crowning of the 1982 homecoming queen, Jennifer Green of Jonesboro. Members of the court were Brook Breeding of Mountain View, Karen Commer of Paducah Bluff, Vickie Winton of Piggott and Kitty Cavenor of Waverly, Mo. Memphis.

ARKANSAS STATE'S CELEBRATED SPIRITS

Unlike those other crazy days at ASU, October 29, 1982 did not even begin as an ordinary day. As 8 o'clock rolled around, it was the Lone Ranger and Mrs. Wiggins who showed up at the the Public Relations office. Into Chickasaw walked clowns and a li'l old lady. Where is Dottie or Greta Mack, Ron or Wendy? In a desperate attempt to find the lost ones, calls were made around campus. Much to the callers dismay, there were others that hadn't shown up, yet in their place were all these "strangers." But, as the day passed, students, faculty, and administrators alike began to like and accept these "special" people. Actually they made the day!!! But then on Monday, it was the same old folks again!!! Where is the Lone Ranger???

BROADCASTERS HOLD CONVENTION

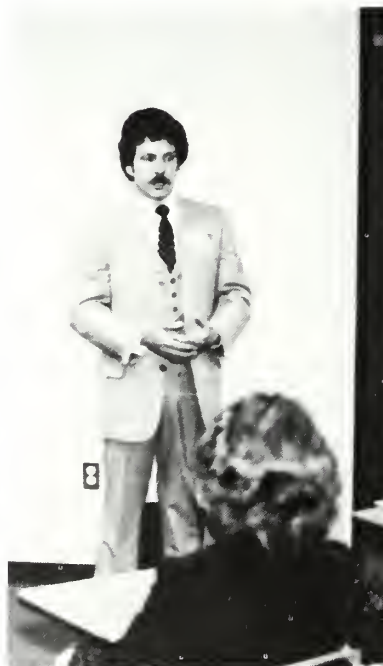

The South Regional Convention of Alpha Epsilon Rho, the national broadcasting society, was held at Arkansas State University on November 5 and 6. The day consisted of panel discussions about women in the media, radio and television news, and programming strategies as well as workshops in the areas of local television production, news preparation and delivery, sales and promotions, and cable television. The business meeting of the convention was presided over by Dr. David Guerra, regional representative from UALR, and Dr. Richard Uray, national secretary of AERho from the University of South Carolina. The day's events concluded at a banquet at the Ramada Inn with keynote speaker Bruce Crawford, a regional representative of Home Box Office. Schools from the south region that were represented included ASU, UALR, UCA, Northeast Louisiana and Troy State (Alabama).

TASTING TEA

The Women's Athletic Program held a Tasting Tea on Oct. 16 at the home of Pres. & Mrs. Ray Thornton. The purpose of the tea was to raise funds needed to recruit quality student athletes for the women's sports teams since moving up to NCAA Division I.

The Union Board sponsored many activities this year to help entertain the A-State enrollment. Besides the Wednesday night dollar-movies, other activities included Magician Larry Wilson, entertainers Don Williams, Ronnie Milsap and International Affairs Analyst Pauline Robbins, and Consultant Charles Robbins.

ASU MUSEUM

The ASU Museum, located in the Continuing Education Center, is open Monday through Friday and on the first Sunday of every month. It includes, among other things, animal exhibits, a glassware room, Indian history exhibits, and features a different special exhibit monthly. The present museum was opened on March 31, 1980, after being moved from the basement of the Dean B. Ellis Library. The ASU Museum is an interesting place and a valuable learning experience.

ASU POPS ENSEMBLE

The ASU pops ensemble is composed of 20 students interested in musical performance. Ironically, only one-half of the performers are music majors. The troupe performs for civic organizations, political campaigns, and social events throughout the school year. Sandra Seay, a music instructor, is the director of the group. Tryouts are held each semester and all prospective members must perform a selection of music as well as a piece of choreography.

THE SPIANS PERFORM

In 1982-83 Drama Productions

ASU's Speech and Drama Department opened its 82-83 season October 6 with Bernard Slate's "Romantic Comedy". The play concerned a successful playwright and his complicated romance with his writing partner. ASU's version featured Michael Randleman as the playwright and Marilou Johnson as his partner. Dena Kimberling portrayed his agent.

ASU's next presentation was a tragedy, "Antigone", which ran November 11-13. Directed by Dr. Kenneth Parks, the play was set in the ancient Greek city of Thebes. Marilou Johnson along with Keith Salter, Meliea Utley, and Mike Randleman starred as the major characters.

The spring semester brought "Deathtrap" to ASU. The play included heavy drama, comedy, suspense, and melodrama. "Deathtrap" is the story of two playwrights, portrayed by Keith Salter and Stephen Hardin. The two murder "the wife" who is played by Pamela Adam. From then on the play is full of twists, turns, and surprises.

Pamela Adam, a freshman drama major from Sherwood, was crowned Miss ASU 1983, before a full house in Wilson Auditorium. Miss Adam sang her way into the hearts of the judges with her optimistic rendition of "Nothing Can Stop Me Now". Susan Rooker, a junior radio/television major from Little Rock, won first runner-up. She presented a humorous, dramatic selection titled "A Southern Girl at a Dance". Brooke Breeding of Mountain View, a sophomore advertising major, won second runner-up. Her talent was a vocal "blues" medley.

The pageant was sponsored by Pi Kappa Alpha Fraternity. The executive director of National Pi Kappa Alpha, served as master of ceremonies. Entertainment was provided by Miss Arkansas 1982, Mary Stuart; Miss ASU 1982, Diane Friday; Miss ASU 1980, Cathy Drake; and Miss Hot Springs 1982, Susan Cunningham.

Laura Bailey, a sophomore from Malvern was crowned Miss Black ASU 1982 in Wilson Auditorium Saturday February 5th. Bailey, a 21-year-old radio-TV major, performed a classical piano selection in the talent competition. Rose Stuckey, a junior journalism major from Pine Bluff was first runner-up in the pageant. Stuckey, who performed a dance routine for her talent presentation, was named "Miss Positivity". Lauren Russell, a freshman radio-TV major from Little Rock won second runner-up in the "Dreamgirls" contest. She performed a dramatic selection in the talent competition.

Price Marshall Elected President

The SGA elections, which were held on March 2, saw the USA Party victorious. It's candidate, Price Marshall, was elected to the presidency. Sherwin Harvey, who was running on the Independent Student Party Ticket, was Marshall's only competitor. There was very little campaigning preceding the elections which could be cited for causing the low voter turn out.

Who's Who In American Universities And Colleges

Fifty students were selected to Who's Who in American Universities and Colleges for 1982-83. Selection was based on academic achievement, service to the community, leadership in extracurricular activities and future potential.

More than 1,200 students were selected this year from institutions of higher education in all 50 states, the District of Columbia and several foreign countries. Outstanding students have been honored in the annual directory since it was first published in 1934.

ASU students who were selected were honored at a Who's Who Recognition Night Dec. 2. The students and their parents were honored by the deans of their respective colleges and departments and were presented their certificates in the Ballroom of the Reng Center. A reception followed.

Those selected appear in this section in alphabetical order with their hometowns and majors listed.

RUSH '82

The Greek year began with the Go Greek party. Rushees were introduced to sororities and the Greek system. Both fraternities and sororities conducted a series of parties by which the rushees familiarized themselves with particular groups. In addition, each sorority planned and performed an original skit.

Throughout Rush, many acquaintances were made in an effort to urge rushees to Go Greek.

AOPi SONGFEST

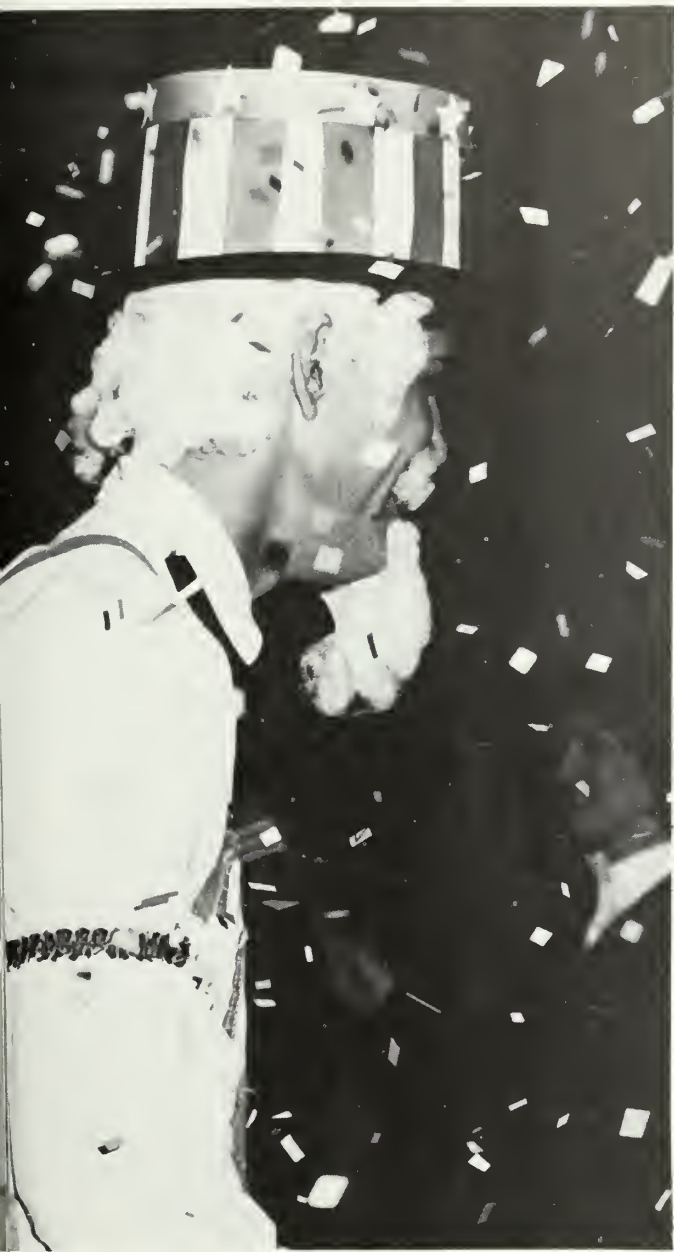

The AOPi's held the annual Songfest in the Ballroom of the Carl R. Reng Center on February 25.

First place was awarded to the Alpha Gam's and the TKE's, who presented different types of soul music.

Chi O's and KA's received second place with their version of songs from the musical "Oklahoma."

Proceeds collected were contributed to the Arthritis Foundation.

PIKE LIL' OLYMPICS

IIKA sponsored the Annual Li'l Olympics September 25. Each sorority participated in the egg drop, tug of war, and limbo as well as other "olympic" events. In addition, Pike pledges were dressed as females by each sorority. First place was awarded to Kappa Delta.

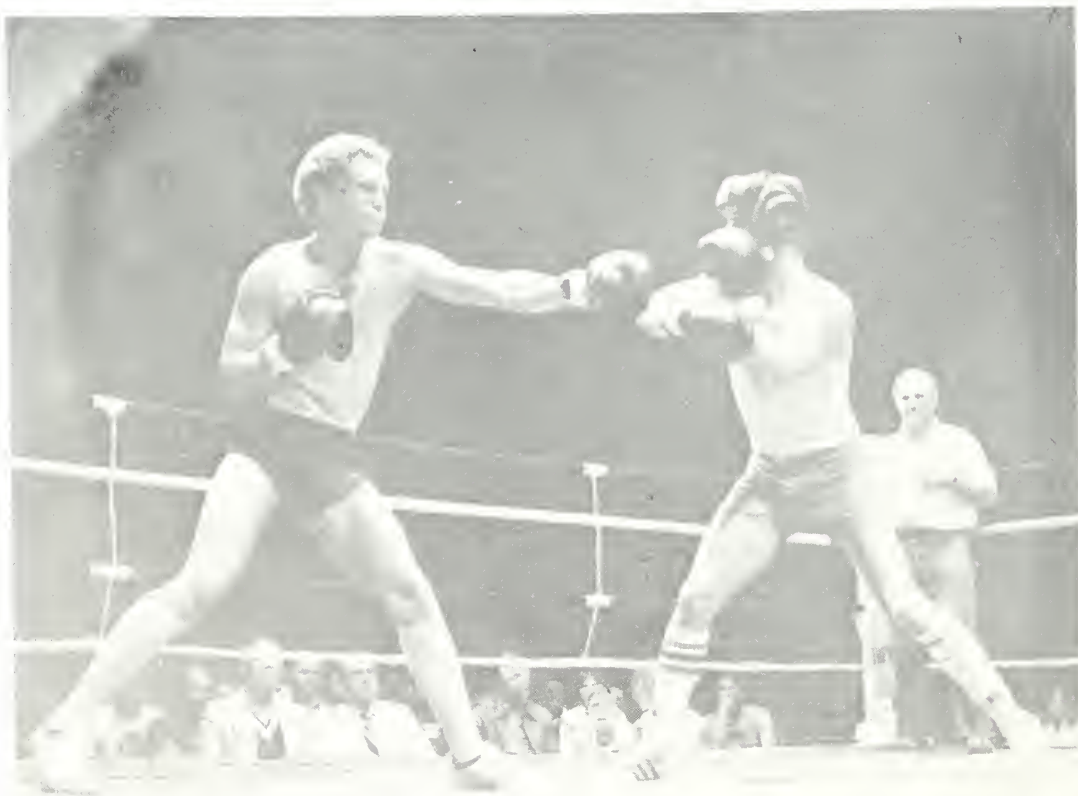

TEKES BOMB PIKES IN FINGERBOWL

Tau Kappa Epsilon sponsors the annual Fingerbowl, a fund-raiser for its philanthropy, St. Jude's Children's Research Hospital. The sororities performed pregame skits and provide spirit at the game. In addition, a goddess and cheerleader, representing each sorority, was presented. The Tekes dominated the game as evidenced by the final score, TKE-42 Pikes-O.

Amy Jenkins of Dewitt was crowned Miss Greek Pledge of 1982. Lambda Chi Alpha sponsors the pageant in which sororities and fraternities sponsor pledges. Competition is based on swimsuit, evening gown, and talent, with winners in each category.

Our Editor
Tonia Watson

Tonia worked well under pressure. She handled her responsibilities very well. She was a totally perfect Editor in every way. She will be missed greatly next year.

Our Advisor
Tom Manning

Tom's bark is worse than his bite, thank goodness!! He tries to threaten staff members into giving 100%. You may think he is a bad guy, but he is a "softy" at heart. The staff feels privileged to have such a super advisor.

Our Artist
Robby Kline

Robby did all the ASU Game pages and a ton of other artwork for the yearbook. He was never too busy to drop everything and help a staff member that needed some artwork fast. The staff feels he did a super job, don't you?

TOMAHAWKS COMPLETE FIRST SEASON IN NCAA DIVISION I

The ASU Tomahawks volleyball team completed their first season in NCAA Division I competition. It was not as successful as previous years, but the ladies did post their eighth consecutive nonlosing season with a 26-26-1 record. The defense was inconsistent all season and that inconsistency proved to be the key to the Tommies .500 season. Coach Kay Woodiel is looking forward to the 1983 season, even though she is losing 5 players. Coach Woodiel is confident that strong recruiting players will be enough to build a contender for the Southland Conference Championship next year.

TOMMIES FINISH THIRD IN SLC

COMEBACK OF THE YEAR - MO TYSON

Runner-Up Jeff Bolding

Maurice Tyson and Jeff Bolding are Ron Carroll's prize students this year. Mo's knee injury this summer could have sidelined him for the season and Jeff's pulled hamstring almost ended his season early. But, their determination and Carroll's ability helped to make Mo's and Bo's senior years at ASU more memorable.

INDIAN TRACK TEAM BREAKS 10 RECORDS

Guy Kochel's tribe had some great individual efforts in the 1982 season. ASU tracksters tied or broke 10 records, including the school record in the discus, the state record in the 400 meter relay and the triple jump, and the SLC record in the high jump. The Indian track team captured fifth in both the Southland Conference indoor and outdoor meets.

The Cross Country team hosted the Southland Conference Championship on Nov. 4. ASU's distance men finished fifth in the event. Ed James was the Indians' highest finisher at tenth place.

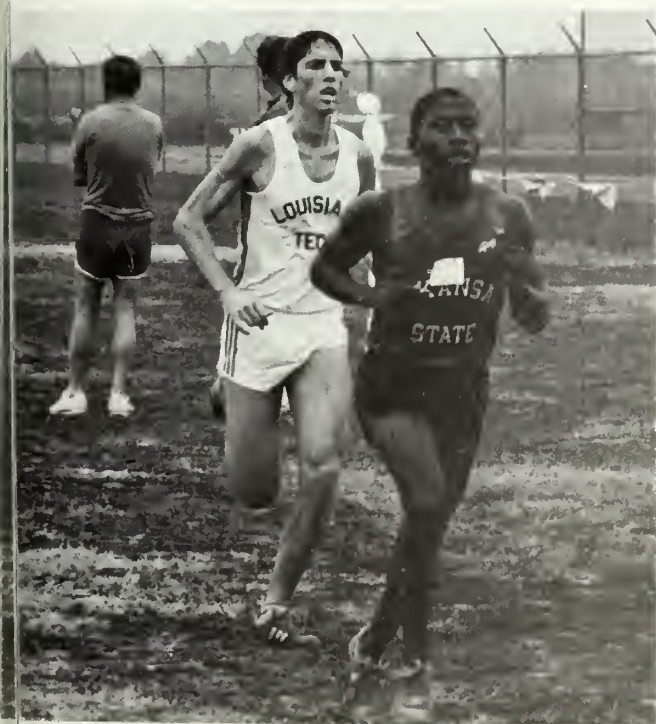

ARKANSAS STATE HOSTS

SOUTHLAND CONFERENCE CHAMPIONSHIP

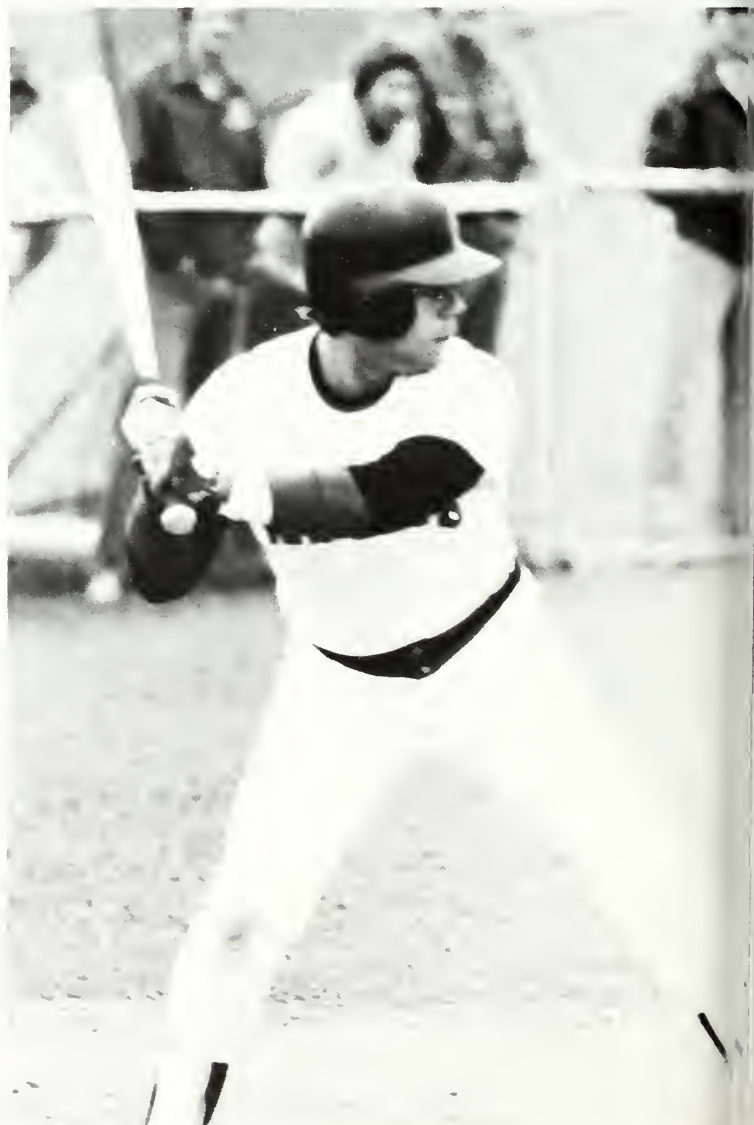

JOHNSON NAMED SLC COACH OF THE YEAR

Arkansas State Baseball Coach Rich Johnson was named Southland Conference Coach of the Year upon completing ASU's most winning season ever. The Indians tied Northeast Louisiana for the North Division Title of the Southland Conference with a 25-18-1 record. The Tribe broke five team records including: most runs scored, most doubles, most runs batted in, most stolen bases, and most double plays. All-Conference second baseman Tim Maloney was ASU's leading offensive threat breaking four individual records: most runs, most doubles, most triples, and most total bases. Junior Jerome Stone earned the respect of the pitchers he faced as he established a new record by being walked 44 times during the '82 season. With a strong nucleus of returning players a successful season looks hopeful for the coming season.

TIM MALONEY RECEIVES ALL-CONFERENCE HONORS

BULLDOGS DEFEAT INDIANS IN SEASON OPENER

The Indians opened the season with a contest against Mississippi State in Starkville, Mississippi. Although the Tribe played bravely, they were defeated 31-10 by the Southeast Conference power. The first quarter was highlighted by a 54-yard run into the end zone by MSU quarterback John Bond. The offenses of both teams looked impressive in the second quarter: MSU drove 90 yards in 13 plays; and ASU, on their next possession, drove 80 yards in 7 plays. The half ended with Mississippi State holding a 14-7 lead.

A-State pulled closer on a 36-yard field goal by Scott McDonald. Then 73 seconds later MSU scored on a 73-yard touchdown pass from Bond to Danny Knight. The Indian offense was unable to sustain a drive in the heavy rain of the 4th quarter as MSU went on to score 10 points.

The Bulldogs dominated the statistics with 571 yards and 23 first downs to ASU's 284 yards and 15 first downs. The Tribe played hard to the end, but the Bulldogs of Mississippi State proved to be the more powerful team in the season opener.

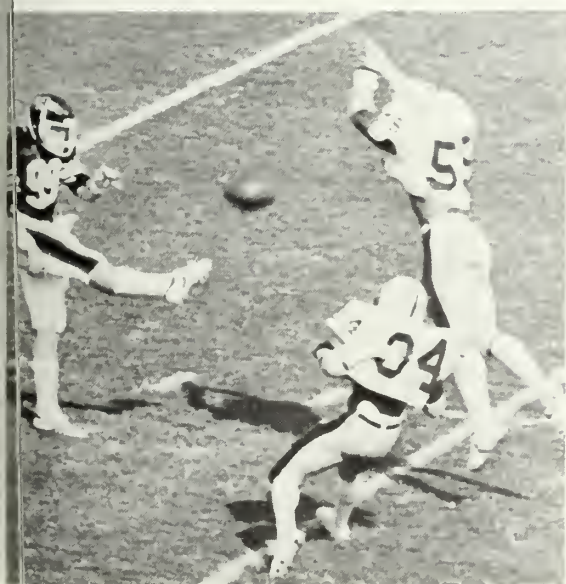

DEFENSE STOPS UTC FOR 13-12 VICTORY

The Indians played the University of Tennessee-Chattanooga in their first home game of the season. The offense was never able to get on track, but the defense rose to the occasion in the 13-12 victory. The Tribe stopped three Moccasin scoring drives when Henry Harris intercepted a Moccasin pass on the goal line. The defense tightened up on a first and 10 on the A-State 2; then, with 34 seconds left on the clock, Mike Templeton, Freddy Rogers, and Jordan Boyd stopped Chattanooga runningback Dennis King on a 2-point conversion to preserve the victory.

The Moccasin offense dominated the game with 95 plays, 375 yards, and 23 first downs. A-State had 49 plays, 160 yards, and 7 first downs.

Tim Langford threw a 53-yard touchdown pass to Byron Dunnick and Waddell Kelly's 1-yard touchdown run, set up by a 67-yard punt return by Keith Weaver, was all the offense needed. The defense, led by Southland Conference Player of the Week Jordan Boyd with 23 tackles, proved to be enough for the one-point win over the Moccasins in Indian Stadium.

A-STATE SHOCKS SALUKIS 30-28

The Tribe battled from behind four different times as the offenses dominated the contest in Carbondale. The Indians offense sustained scoring drives of 80, 80, 65, 73 and 83 yards as they rolled up 540 yards of total offense and 33 first downs compared to SIU's 412 yards and 20 first downs. The 8-yard touchdown pass with 1:09 left in the game put the Salukis ahead 30-28. Then 65 seconds later the Indians connected on a 45-yard "Hail Mary" pass from Tim Langford to Gill Stegall. The play started with 18 seconds on the clock, Langford rolled right as Stegall dashed down the right side line and was pushed out of bounds before Langford, under heavy pressure, threw his desperation pass; Stegall reentered the playing field, gathered in Langford's pass, and pranced into the end zone to give A-State the 5-point victory.

CRIMSON TIDE ROLLS OVER STATE 34-7

A-State was dominated in the game against 5th ranked Alabama as the Tide rolled over State to a 34-7 victory. The first quarter ended with the score knotted at 7 after Clyde Dumas blocked a Malcom Simmons punt which rolled into the end zone and was recovered by Bill Bowers for the Tribe's only touchdown of the game. The Crimson Tide went on to score 20 points in the first half and managed only one more tally as the Indian defense forced the Tide to lose 6 fumbles in the game. The Alabama offense rolled to 423 yards and 22 first downs as A-State was only able to gain 187 yards and 8 first downs. The Indians gained a wealth of experience in the contest playing before 67,459 fans at Legion Field in Birmingham. The Tribe had a good following as approximately 2,000 Indian fans made the trip to the memorable contest against national powerhouse Alabama.

A-STATE TRIBE SCALPED BY N.E. LOUISIANA INDIANS

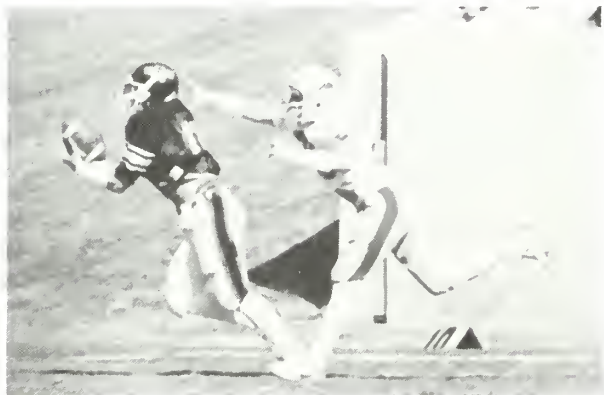

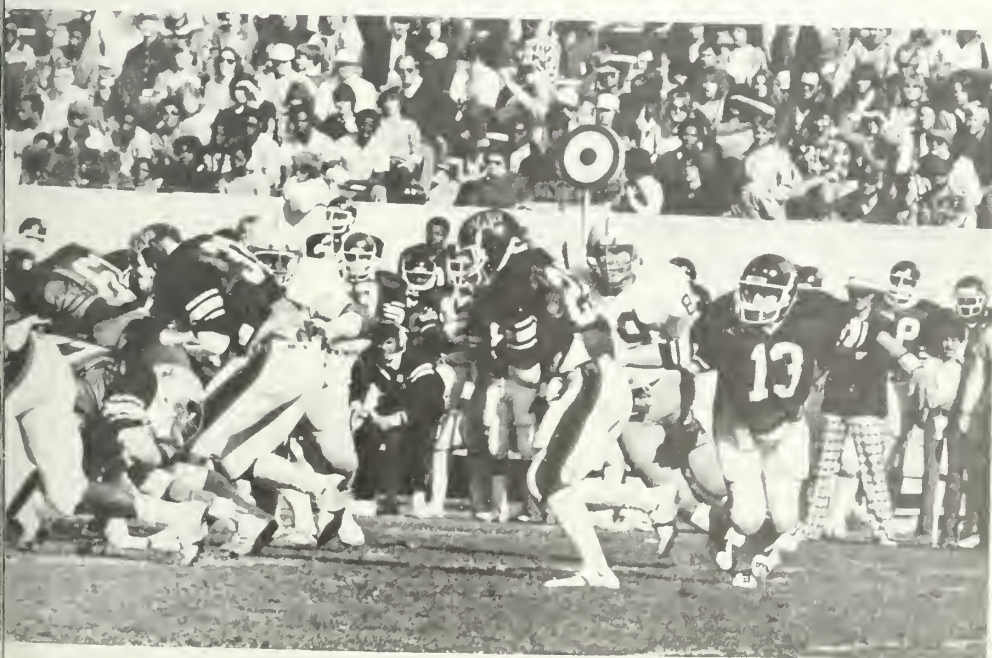

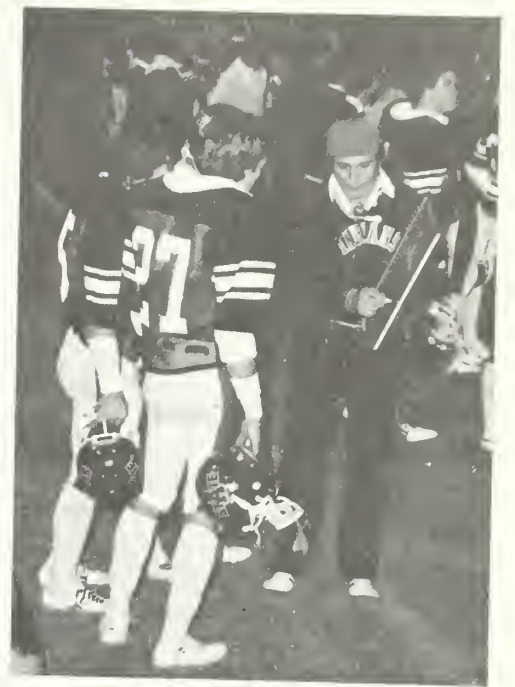

Northeast Louisiana brought its powerful passing attack into Indian Stadium for what promised to be a classic confrontation between two teams with equally strong, but vastly different offenses. The nationally ranked wishbone offense of ASU suffered eight fumbles in the game. Of these eight, the most costly one occurred with just nine minutes left in the game, with ASU fumbling on their own 13 yard line. Maurice Carthon led all ballcarriers with 126 yards on 16 carries, including a 58-yard touchdown run in the second quarter. The record crowd of 18,228 at Indian Stadium just wasn't enough as the A-State Indians were defeated 31-21.

COWBOYS AND INDIANS BATTLE

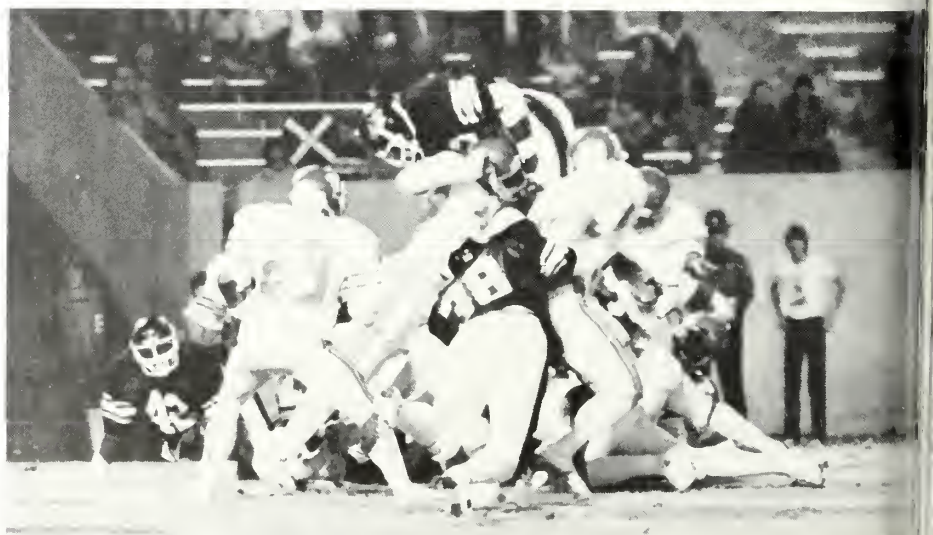

Homecoming spirits were dampened as the McNeese State Cowboys defeated the Indians. The Tribe led in the statistics, but leading in the fumble column proved too detrimental to overcome. ASU jumped out to a 10-0 lead, but McNeese scored 21 unanswered points to end the game with a 21-10 Cowboy victory. The ASU wishbone was successful however, with 374 total yards and 21 first downs. This compared to 283 total yards and 16 first downs for McNeese.

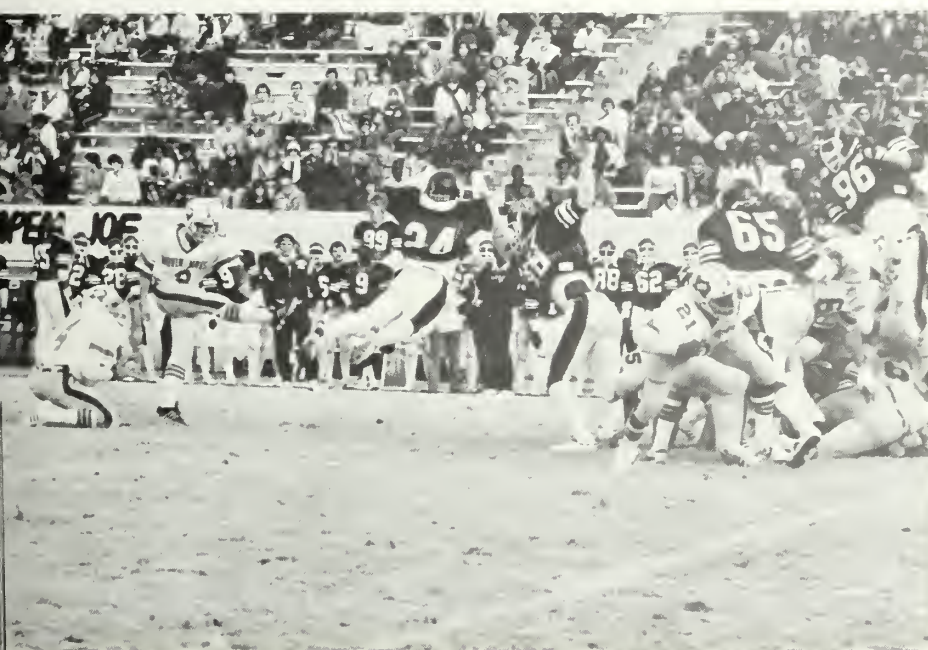

#2 LOUISIANA TECH WINS 24-14

Louisiana Tech was the number two team in Division I-AA when they faced ASU on Oct. 30. The Bulldogs wasted no time proving their ranking as Tech quarterback Matt Dunigan threw a 51-yd. bomb on the first play of the game. Tech then scored with only 2:21 gone from the clock. ASU reached into its bag of tricks repeatedly in the Halloween contest running a fake punt for 44 yards, a lateral from Byron Dunnick to Dennis Walker for 17 yards, and an ill-fated fake reverse attempted by Gil Stegal. The Tribe, usually plagued by fumbles, suffered only one in this game, but unfortunately the Indians were called for 13 penalties totaling 145 yards. The statistics were closer than the final score implies as ASU gained 345 yards and 22 first-downs compared to Louisiana Tech's 343 yards and 21 first-downs.

ASU DEFEATS MOVIN' MAVS

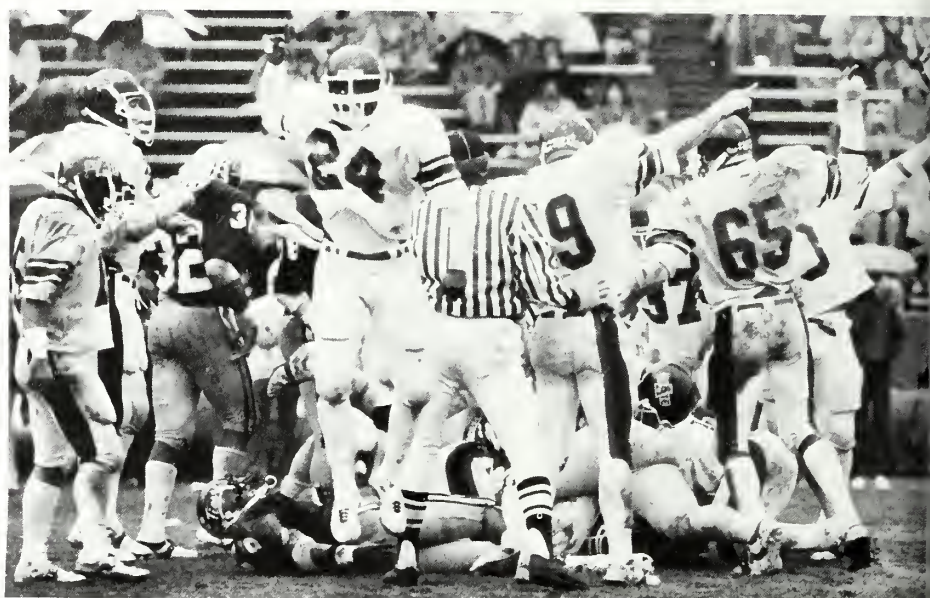

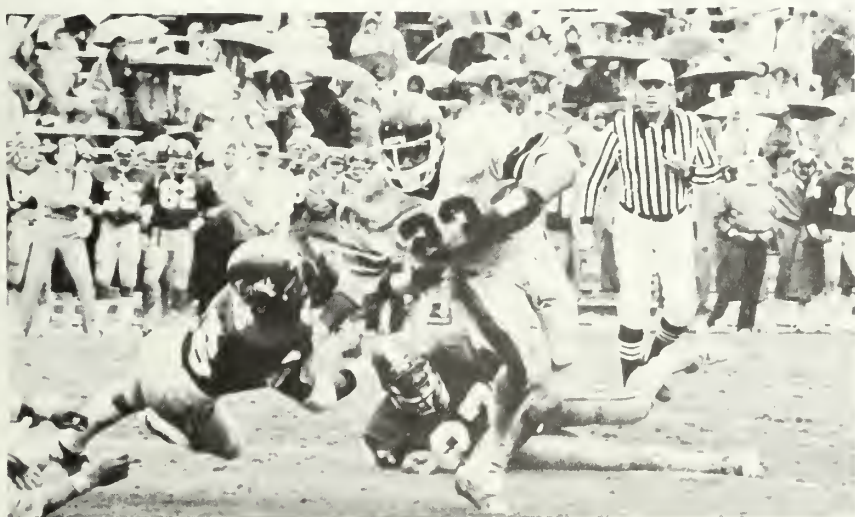

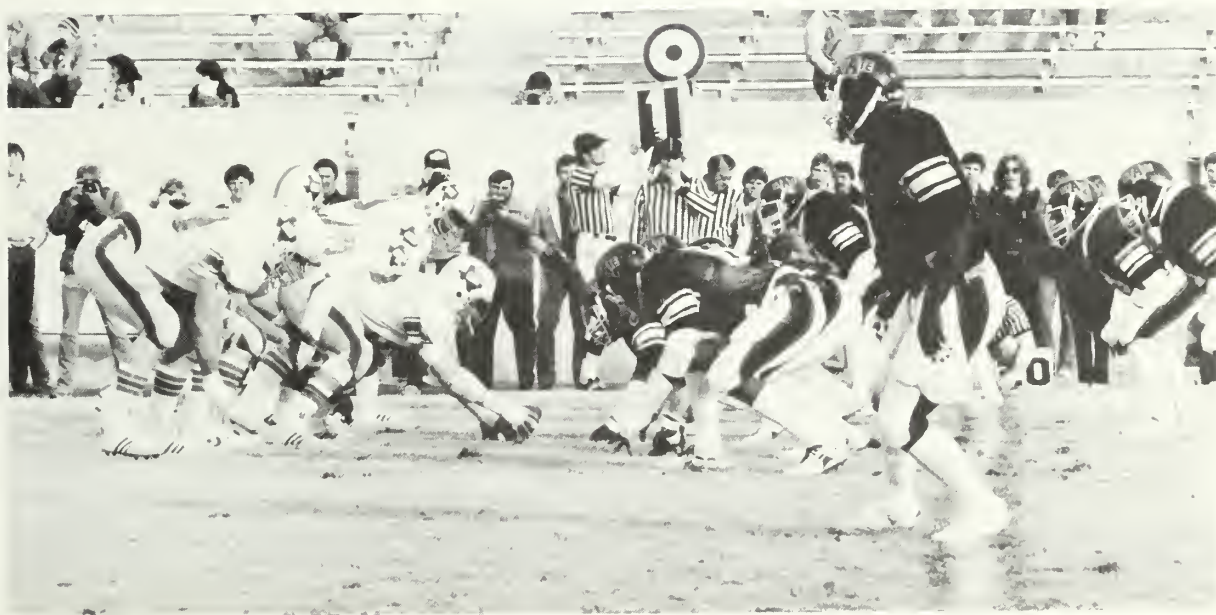

Arkansas State hosted the Movin' Mavs of the University of Texas at Arlington in the last home game of the 82 campaign. UTA's runningback Scotty Caldwell proved his all-conference ability by rushing for 129 yards becoming the second back in UTA history to rush for 1000 yards in a season. UTA was winning the game 10-6 until Waddell Kelly leaped into the end zone from the 1-yard line. Scott McDonald added the PAT for a 13-10 Indian lead. On the ensuing kickoff Stacy Rayfield fumbled the ball on the UTA 20 yard line. Donald Morrison fell on the ball to claim it for the Indians. Three plays later Maurice Carthon sped into the end zone on a 9-yard run. McDonald's kick increased the Indian's lead to 10 points. UTA wasn't about to give up as Caldwell raced 72 yards to give the Mavericks the final touchdown of the game. Yet, it wasn't enough as ASU held on to win the game 20-17.

A-STATE SNAPS MSU LOSING STREAK

Arkansas State and Memphis State met November 27 at the rain-soaked Liberty Bowl Memorial Stadium in Memphis. What was at stake? For ASU it determined a winning or losing season. For MSU it was a possible end to a 17-game losing streak. A-State played a strong first half gaining 129 yards of the game total 182, but they were unable to capitalize on three scoring opportunities: Waddell Kelly was stopped on a fourth-and-goal from the MSU 1-yard line and on a fourth-and-four from the MSU 26. Also, Scott McDonald kicked wide on a 44-yard field goal attempt. The Tribe never got closer than their own 44-yard line throughout the remainder of the game. The Tigers won 12-0.

ASU CELEBRATES SUCCESSFUL RECRUITING YEAR

29 SIGN ON FEBRUARY 9

When ASU's football season ended, Coach Gary Withrow's recruiting season began. The coaching staff did an excellent job during the winter. On Feb. 9, national signing day, ASU inked 29 players. The list included such standouts as: Steve Carson and Butch Snider of Jonesboro, Mike Smith and Darryl Muhammad of Decatur, Ga., Steven Perkins and Russell Franklin of Baton Rouge, La., and Arthur Franklin and Lee McDaniel of Memphis, Tenn. Both Coach Lacewell and Coach Withrow attributed this season's recruiting success to an upgraded schedule including Alabama, Mississippi State and Texas A & M. The faculty contributed to this season's recruiting success by working with the recruiting staff when area prospects visited the campus.

The coaching staff held a cookout at the New Pavilion to allow local prospects to visit with the faculty, coaching staff and players. All the hard work paid off on Feb. 9 when six area prospects signed national letters of intent. The six area signees were Steve Carson, Butch Snider, Bobby Clemons and Paul Johnston of Jonesboro, Randy Pinson of Nettleton and Elbert Shelley of Trumann.

A-STATE RIFLE TEAM CAPTURES ACRL CHAMPIONSHIP

The ASU Rifle Team's season is divided into halves with the first half being completed before the holiday break. Arkansas State's marksmen got off to their best start ever by winning their first 18 contests. They topped it off by winning the Arkansas Collegiate Rifle League Championship in Conway on December 4. In the state championship the Indians established a new league record of 1,337 out of a possible 1,500 points.

The second half of the season began with meets against such teams as the University of Alabama at Birmingham. If the ACRL season is any indication, ASU can complete the season with a national ranking in the top 20.

The A-State rifle team continued its winning ways this year at the 48th annual Indoor Camp Perry Rifle Match in Booneville, Missouri. The tribe finished 2nd ... just 15 points behind top-finishing Southwest Missouri State. Ross Morgan of Arkansas State walked away with the individual scoring honor by obtaining 561 of a possible 600 points. Gordon Daniel also had a fine meet scoring 537 points. The NCAA championship meet is to be held March 18-19 at Xavier University. Captain Zahaczewsky is hopeful that ASU will be invited to compete against the nation's best collegiate rifle teams.

The ASU golf team competed in seven matches during March and April, including a three-way match against Delta State and Tennessee-Martin in Jonesboro on March 30. The State roster includes: seniors Chuck Gschwend, Jeff Melton, and John Tanner, juniors Clay Howley and Craig Gschwend, sophomore Ray Stewart, and freshmen Blake Beardsley, Chuck Herlain, Scott McDonald, and Al Smith.

INDIANS COMPLETE SEASON WITH A 16-11 RECORD

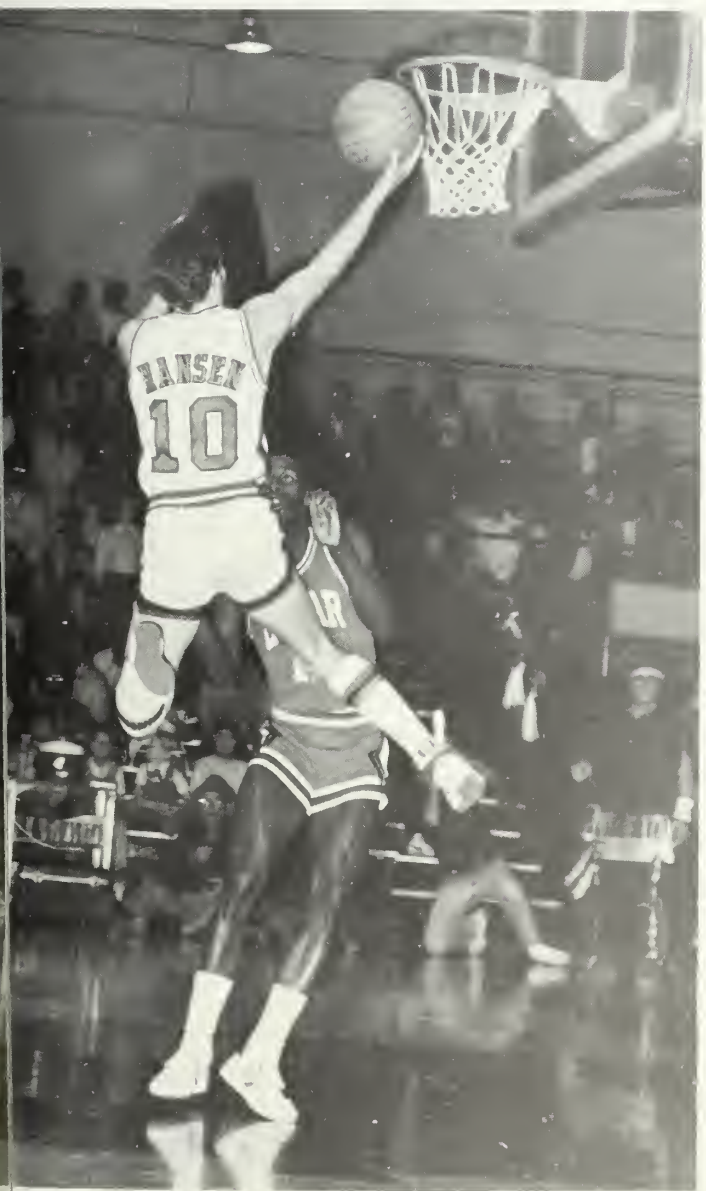

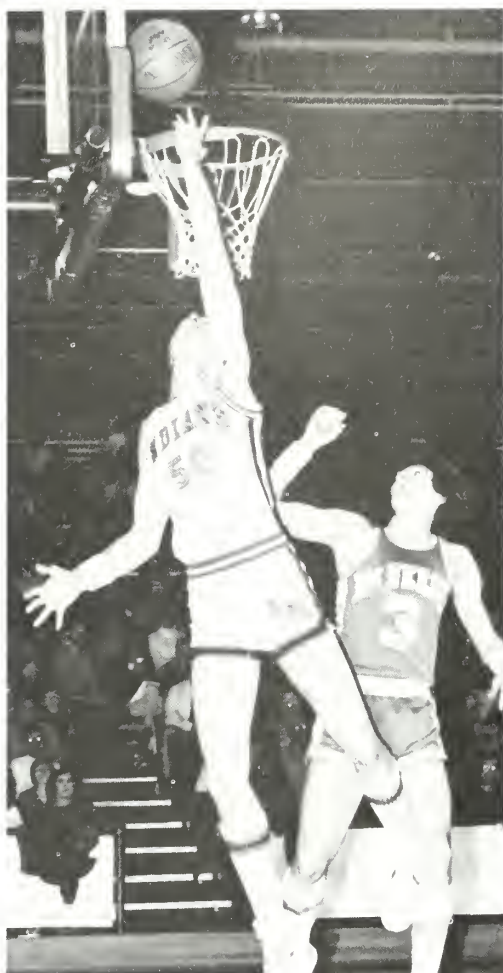

The Indians got off to a great start holding an 8-2 record prior to the conference season. During that 10-game strength, A-State won an exciting overtime game with Arkansas-Little Rock and had 2-point victories over Tennessee State and Missouri Baptist. At this point the Indians had a mid-season let down and dropped 5 games, none by more than 3 points. Mark Priest then made his presence known in the Southland Conference and Indian Fieldhouse. The junior forward came off the bench and sparked the Tribe to 6 consecutive victories. The Indians went 2 and 4 after the game against McNeese State to finish the season with a 16-11 record, ASU's best since 1974.

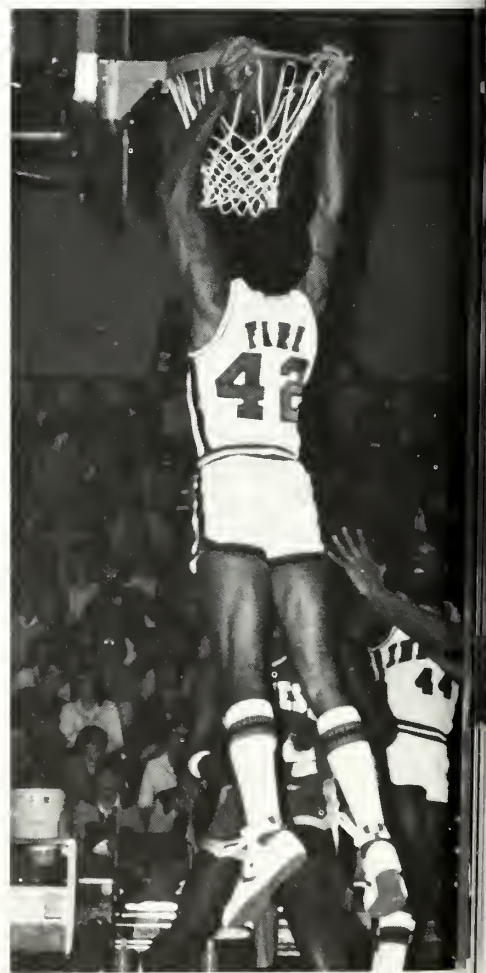

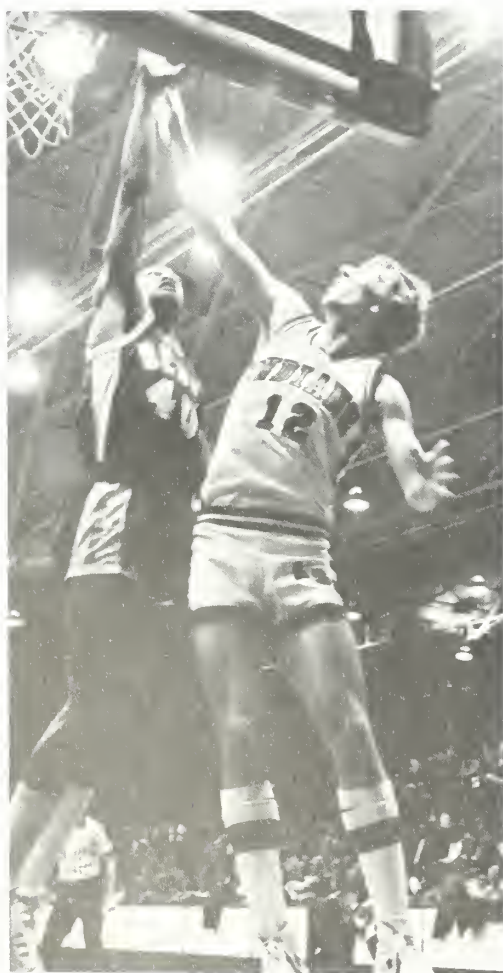

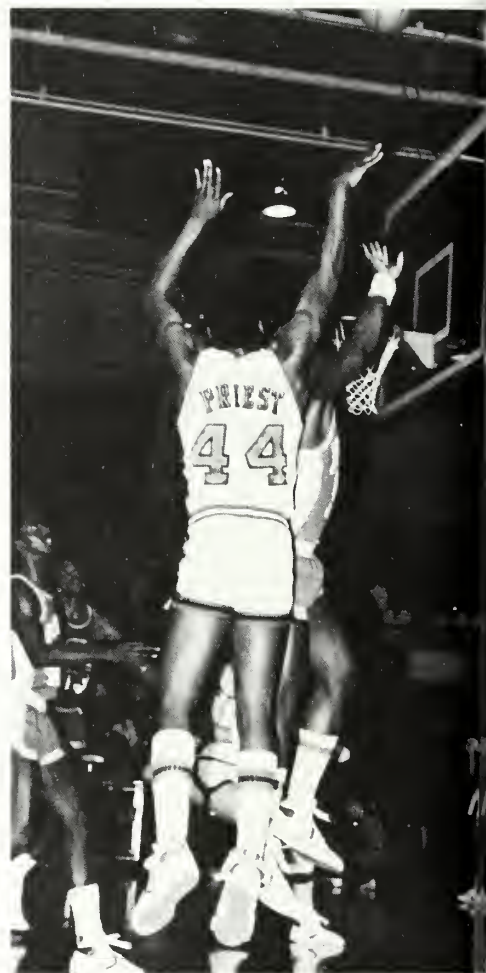

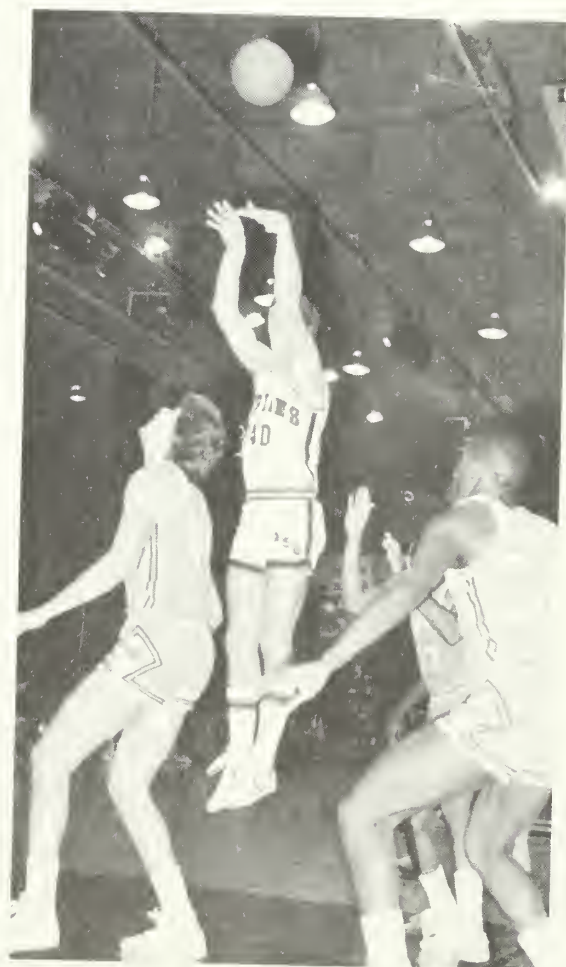

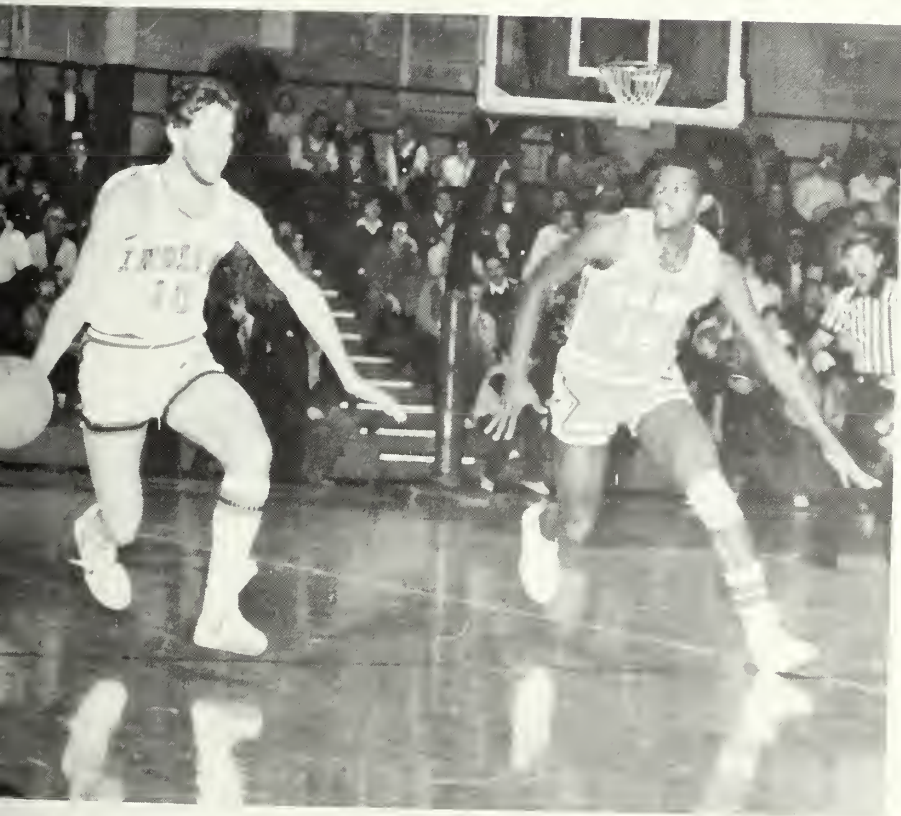

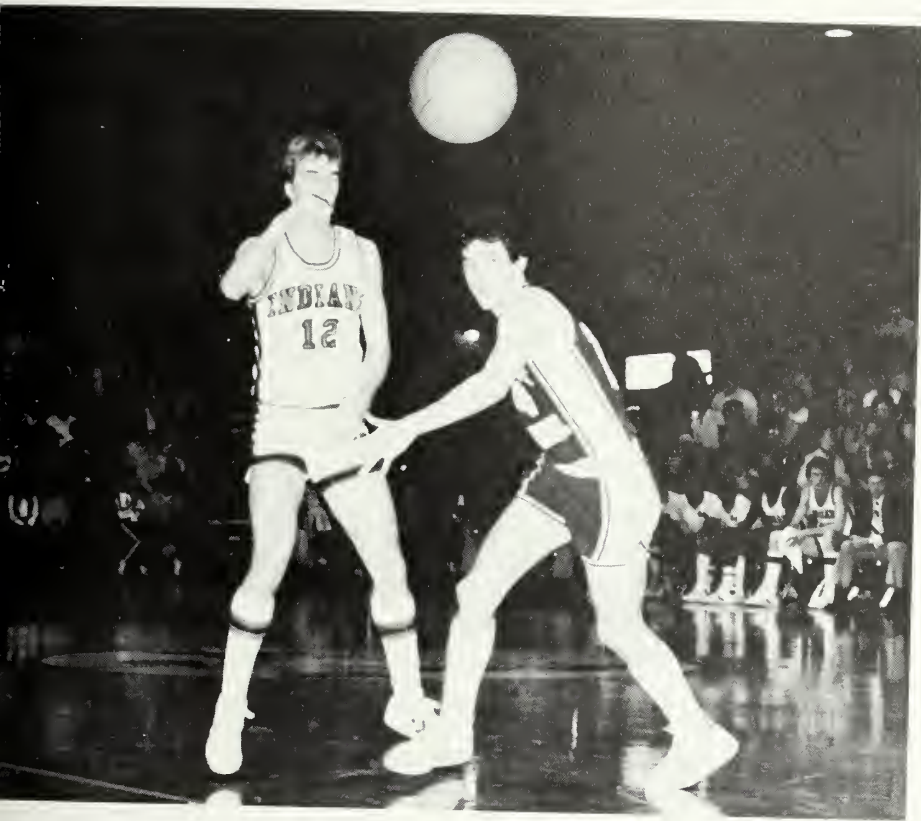

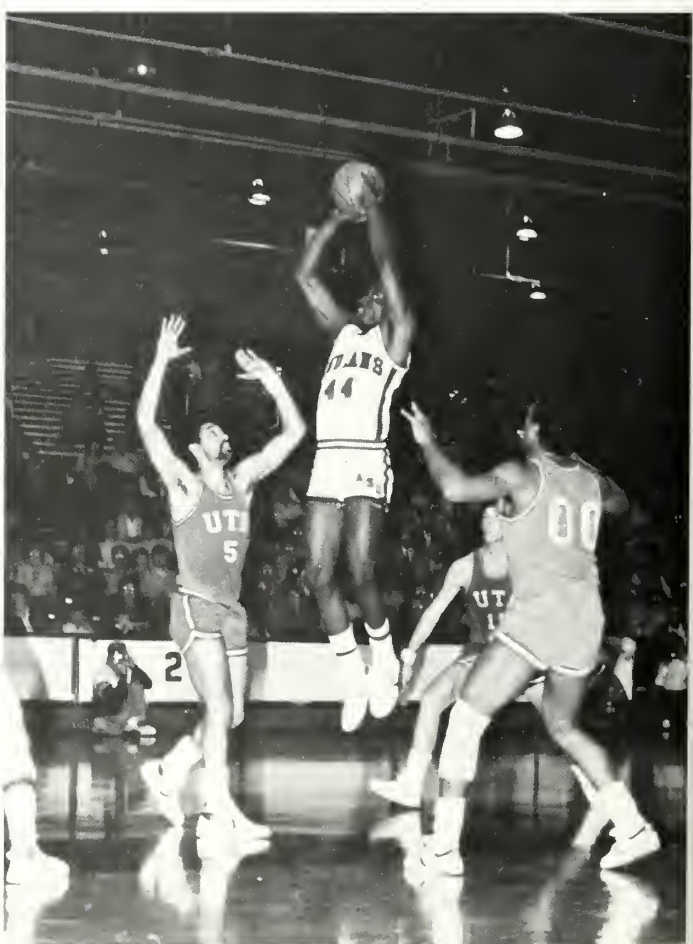

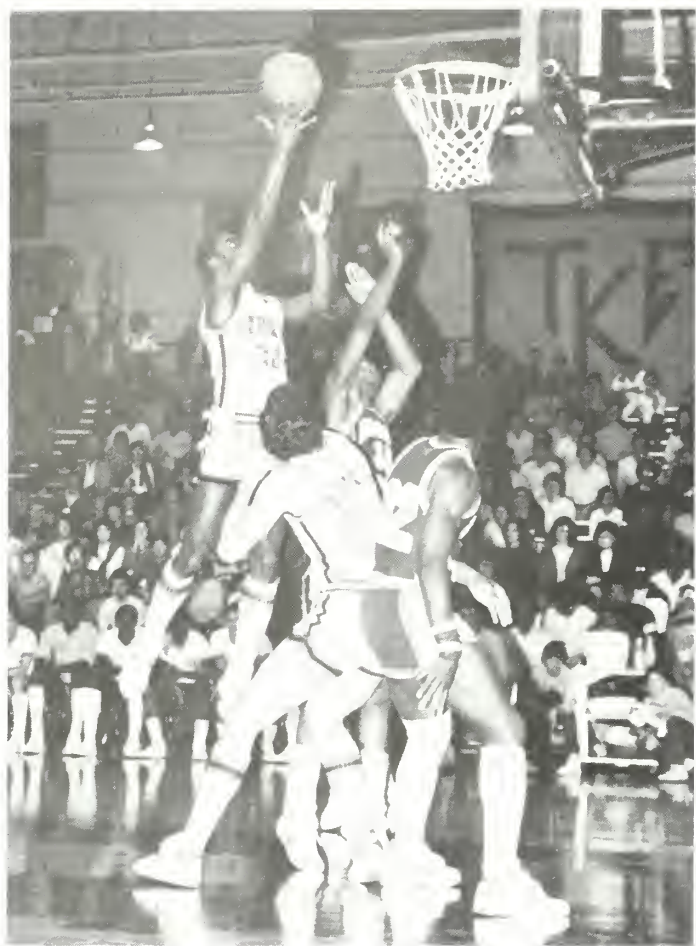

Before the season started, seventh-year head coach Marvin Adams knew he had his work cut out for him. Jay Hansen would be the only one starting at the same position he had played the year before. Jay's experience and unselfish play were assets all season. Due to a freakish summertime knee injury, senior Mo Tyson's season almost ended before it started. Mo worked hard and by season's end had started in 18 of the 24 games. Senior Jeff Bolding proved to be a most capable center. When Bolding's ability was not enough, his pride and determination proved to be the difference in some close ballgames. Senior guard Daryl Dodson rolled along to his best season as an Indian. Daryl's cool head in a hot game against Louisiana Tech provided A-State basketball fans with an exciting overtime game. When Jeff Bolding injured his hamstring, Scott Horrell stepped in as center doing a more than average job. The 6'8" junior from Marmaduke scored 23 points in two tough conference games against Lamar and North Texas State.

BOLDING AND HANSEN LEAD TRIBE

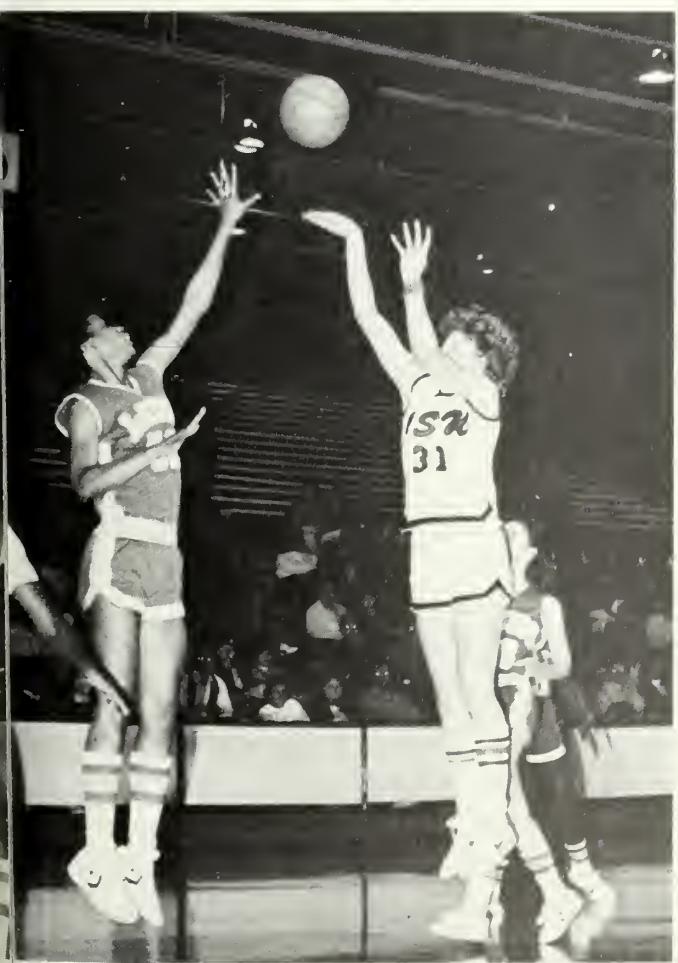

The 1983 ASU Basketball season will long be remembered for its close, exciting contests; 14 of the season's 27 games were decided by 3 points or less. The Indian's held a scoring edge of 2.9 points and averaged 5 more rebounds per game than the opponent. Center Jeff Bolding led the team, averaging 13.1 points, and 8.6 rebounds per game. Point guard Jay Hansen dished off 126 assists to lead the squad. Scott Horrell and Jay Hansen were the teams dead-eyes this season, Hansen's .750 from the free throw line and Horrell's .593 from the floor set the pace for the Indians. The tribe will lose senior leaders Jeff Bolding, Daryl Dodson, and Mo Tyson, but with players like Scott Horrell, Mark Priest and Troy Taylor returning and six scholarships available, the '84 Indians are looking forward to next season.

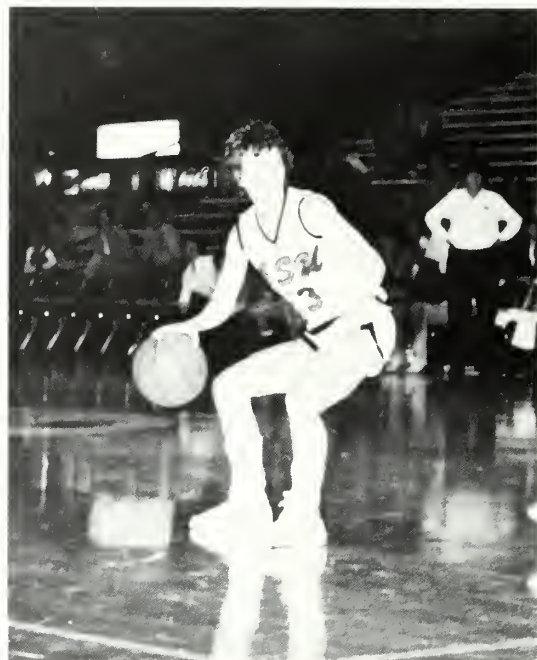

TOMAHAWKS COMPETE IN NCAA DIVISION

The ASU women's basketball squad completed its first season as a NCAA Division I team. The Tommies battled to a 6-16 season against such national powerhouses as Mississippi, Tennessee Tech, Mississippi State and Arkansas. Forwards Mary Powell and Barbara Morris and center Mary Graddy were the team's only seniors. The Tommies five juniors gave Coach Bev Webb plenty of bench strength. Coach Webb will have ten returning players with experience for next season. The Tomahawks second season in Division I should be somewhat less painful.

HODGE AND JAMIESON LEAD TOMMIES

Dena Hodge, junior forward, and Loretta Jamieson, junior center, led the team in scoring and rebounding. Hodge averaged 11.7 points and 6.7 rebounds to pace the squad, while Jamieson averaged 10 points and 6.5 rebounds. Because of her scoring threat, opponents tried to keep the ball away from Melody Helms. Melody shot .519 from the field. Barbara Morris shot .688 from the free throw line to lead the team average from the charity stripe.

GROWING . HOW

Building a nationally respected sports program is not an overnight job. The administrative staff at Arkansas State knows that and is slowly building a solid program here.

The women's athletic program at A-State was founded nine years ago and has grown quickly. This season the women competed as an NCAA Division I member. Due to the change, the Tommies have lost some close games to some established NCAA schools. The ladies know that only time and hard work will solve that problem.

Arkansas State's football team posted a 5-6 record this season against such nationally ranked teams as Alabama, Mississippi State and Louisiana.

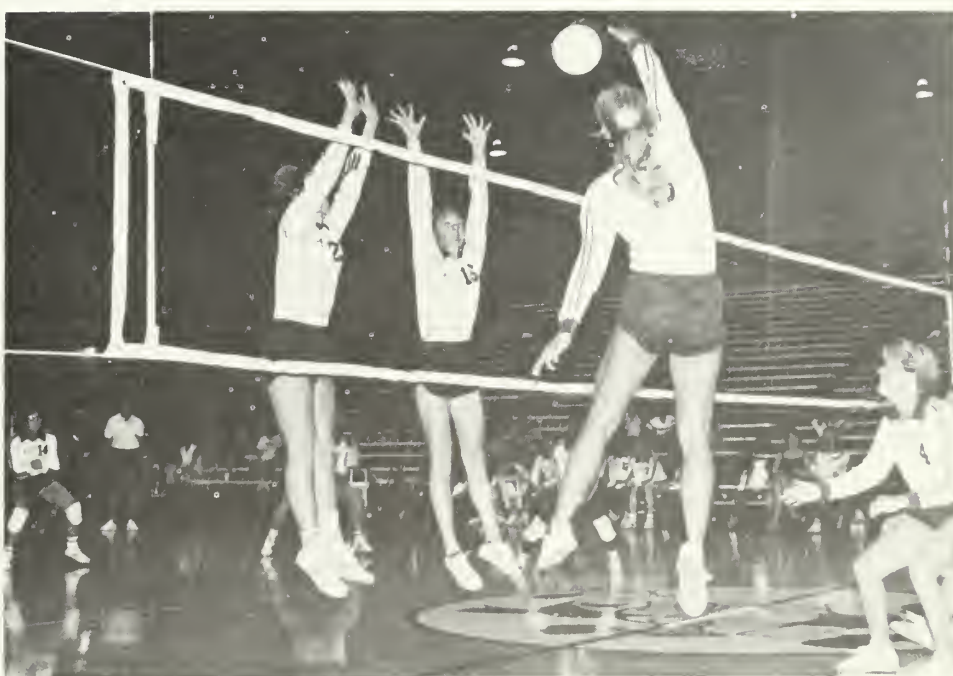

PAINS ... SWEET IT IS

ana Tech. The entire Indian offensive line returns for the '83 season along with a host of returning freshmen at the skill positions.

Next season's schedule still sounds with strong football opponents. Besides the tough conference season, the Tribe will face Texas A&M and old rival Memphis State.

The basketball team pulled a scheduling surprise this fall when Marvin Adams announced a contest with powerhouse Kentucky on the Wildcat's home court.

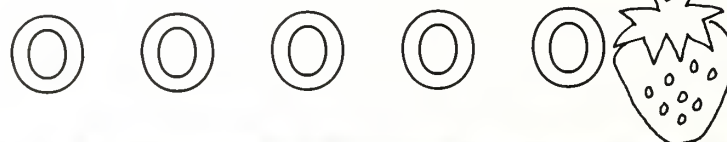

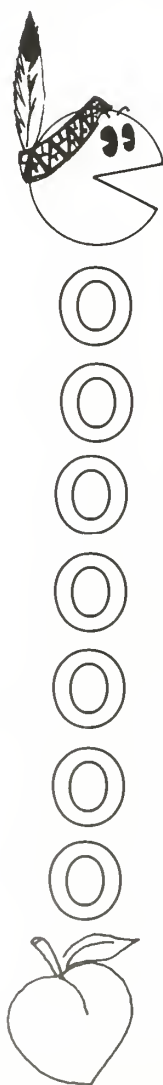

Athletics at Arkansas State is a growing concern and the coaching and administrative staffs know that a lot of growing pains will be experienced.

When I must leave you for a little while,
Please do not grieve and shed wild tears
And hug your sorrow to you through the years,
But start out bravely with a gallant smile;
And for my sake and my name
Live on and do all things the same,
Feed not your loneliness on empty days,
But fill each waking hour in useful ways,
Reach out your hand in comfort and cheer
And I in turn will comfort and hold you near;
And never, never be afraid to die,
For I am waiting for you in the sky!

IN MEMORY

NA NA NAAAA!!!

Well, it's been real ... And it's been fun ... I suppose it has even been **REAL FUN**. What is not fun about cookie crumbs on a dummy sheet at 3 in the morning? Thanks for the "chips ahoys," Martha.

Thanks ... I sure owe a lot of these. Martha, thanks for all your good copy. **HAHA** You've always been there for me — even at 3. Barry, I couldn't have gotten "organized" without you. Stephen, you are my special "Turkey". Anna, Vickie, Kim, Tammy, Stephany, and Cindy, thanks a million for it all!!! George, you're just sporty. Thanks for taking care of your section. Greg, John, Tony, Don, and George, all of you were the "flash" of my life. Tom, thanks for being quiet when you knew I was too stubborn to listen, anyway. **ONE** thing is for sure: I have deep feelings for all of you (from frustration to friendship: both to the **MAX**).

From losing pages to losing the publisher, we have faced our adversities. Yet, together we somehow got this book finished. Our mentality, though somewhat mature at the outset is now somewhat "kindergarten." **CATCH THE FEVER** is 1983! It fits 1983 ... who or what else could have gobbled up the 4077th?

Sonia
